MINNESOTA BULLETIN NO. 170-7-2

SUBJECT: CGI - NRCS / GIS COMMITTEE, 2007

ACTION Required By June 15, 2007

Purpose. Selection of new individuals to the MN NRCS/GIS Committee, and extension of current members through Calendar Year (CY) 2008.

Expiration Date. September 30, 2007

The current NRCS GIS Committee has determined that a number of disciplines are not yet represented on this Committee. Currently, the Committee is made up of the nine GIS Specialists, the State Toolkit Coordinator, and an experienced GIS representative from the following six disciplines:

- ARC, DC, Engineer, SCT, Soils Scientist, and ITS

A request is made to nominate one individual from the following three disciplines to also serve on this Committee:

- Grazing Specialist
- Nutrient Management Specialist
- Wetland Specialist

Members will be expected to attend one (1) face-to-face meeting per year, and any potential teleconferences, as needed. The responsibilities include bringing the GIS needs of your discipline to the attention of this Committee.

The current committee is comprised of:
